

## PRODUCT SPECIFICATION: L-CARNITINE 10ML (500mg /ml).

### DESCRIPTION:

Clear glass vial with rubber stopper and tamper proof seal.

Sterile water to which 0.9% Benzyl Alcohol (9mg / ml) and L-Carnitine has been added.

Due to the addition of Benzyl Alcohol (BnOH) an opened vial can be kept for approximately 30 days if refrigerated.

Produced and bottled under the highest quality standards by a certified laboratory.
